THIS PRICE LIST IS ONLY FOR GOODS SUPPLIED BY MPM-QUALITY a.s., FOR GOODS SUPPLIED BY OTHERS, 30 - 40% (+ PREPARATIONS) will be added to the SERVICE PRICE!

Goods supplied by the customer - due to the lack of information on the material, composition and characteristics of the Goods supplied by the customer in connection with applied personalization technologies, we cannot guarantee the compatibility of such Goods with our prfromucts or services. The customer accepts full responsibility for defects caused by the Goods supplied by him during the application of the personalisationservices and acknowledges that a claim for damages due to incompatibility is not admissible. In the event of any ambiguity regarding the compatibility of the Goods with our services or other issues related to the personalised Goods, we recommend consulting an expert in the relevant field before making any adjustments. Prices are calculated for printing one side of the conversion, in case of printing more sides the price is multiplied by the number of sides. The price list of services is only indicative, the exact price will be determined after the motif and material are specified.

MPM-QUALITY v.o.s. reserves the right to individually calculate prices, terms and services for Goods delivered by the customer. In case of delivery of unpacked delivered Goods, the customer is charged a packaging fee of 2 € for each box. For orders with higher packaging time requirements, the packaging fee will be calculated individually.

Preparation of numbering, individual names + 40 CZK/pc.
*** Limited by the working area of the UV printer - 610 x 420 mm.**
When printing colored or transparent items, it is necessary to print on a white background (otherwise the resulting shade of the print may differ from the desired shade)! PRIMER is used to print resin, glass and metallic materials - it improves the connection of the colours with the substrate.
Other items - flat items suitable for digital printing (items of other shapes must be consulted).
In the case of raster images, it is necessary to provide the image in electronic form with a size of 1:1 and a resolution of at least 300 DPI.
UV digital print proofs must be in the correct size, CMYK colour mode and resolution (print PDF).

- **Printing on the delivered goods + 30 - 40% of the service price, without guarantee of colour fastness of the design.**
- the possibility of refusing the contract

Express fee
with regard to the production workload, an EXPRESS SURCHARGE may becharged
Packaging - applies to services K1, K2, K3, K4, K5, K6.

- set up cost 11,00 €
- graphic design from 7,00 €

The shape of 3D sticker please consult in advance.

Sticking of the stickers onto MPM-QUALITY products free of charge.

Example of calculating the price of a label with white backing for 350 pcs:
4,20 cm x 4,30 cm = 18,06 ≐ 19 cm2
19cm2 x 0,035€ = 0,665€ /pcs x 350 = 232,75 €

The size of the label area is calculated according to the actual size of AxB, and the subsequent product is rounded up for each oversized cm2, according to the example.

Graphic work
- 2 graphic designs FREE of charge
- 7,00 € for each design according to the change of the input
- 26,00 € per started hour for difficult graphic work

Rules for sending documents for processing promotional items
- print materials in vectors - formats CDR (Corel Draw), AI (Adobe Illustrator) or EPS, PDF (vector in Acrobat)
- All texts converted into curves, in case there are no texts in curves, attach used fonts
- colors only CMYK or PANTONE - attach logomanual if necessary
- Images - Generally, an image should have a resolution of at least 300 dpi (dots per inch) when printed up to A4, RGB or CMYK color space, in tif, psd or jpg format (with no or minimal compression)
- we are not liable for the printed materials that are not graphically processed in our graphic studio and only transferred to print (colors, gradients, etc.)
- Any bitmap and raster and materials processed in WORD and EXCEL are completely inappropriate. In case that documents will be delivered as non-complying, we charge a fee according to the hourly rate.

Materials for processing of printed advertising eg leaflet

1. Texts - written in Word or another text program, free-flowing, without unnecessary formatting adjustments.
2. Photographs - saved separately, outside the actual text, in digital form, 300 dpi resolution, RGB color space or CMYK, in TIF, PSD, or JPG (with no or minimal compression).
3. Marks and drawings - principally in vectors (CDR, AI, EPS, PDF), on size and resolution in this case it doesn't matter.

Packing fee for services excluding C1, D1 and D2
- packing fee will be charged from 0,04 - 0,16 €/pcs, according to the difficulty of the operation.
- packing fee for delivered goods 0,12 - 0,24 €/pcs
- pack of tokens + 0,04 €/pcs

Price for imprint on delivered goods +30% of price without guarantee of color fastness.
- the possibility of rejecting the order reserved

Express fee

Depending on production capacity we can charge express fee as below:
- 24 hours: + 50%
- 3 working days + 30%

We reserve possibility of rejecting the order in case of technological infeasibility.

Storage of templates

According to GDPR principles. We reserve the right to retain draft for 2 years, after this period we will charge fees as in new order.

Prices are without VAT.

Release date: 28 April, 2026
